

## Project - eBahn Products - Desktop, Pro & Web : Vista - "unable to open" error fix

This page last changed on 2008-01-09 by carlson.

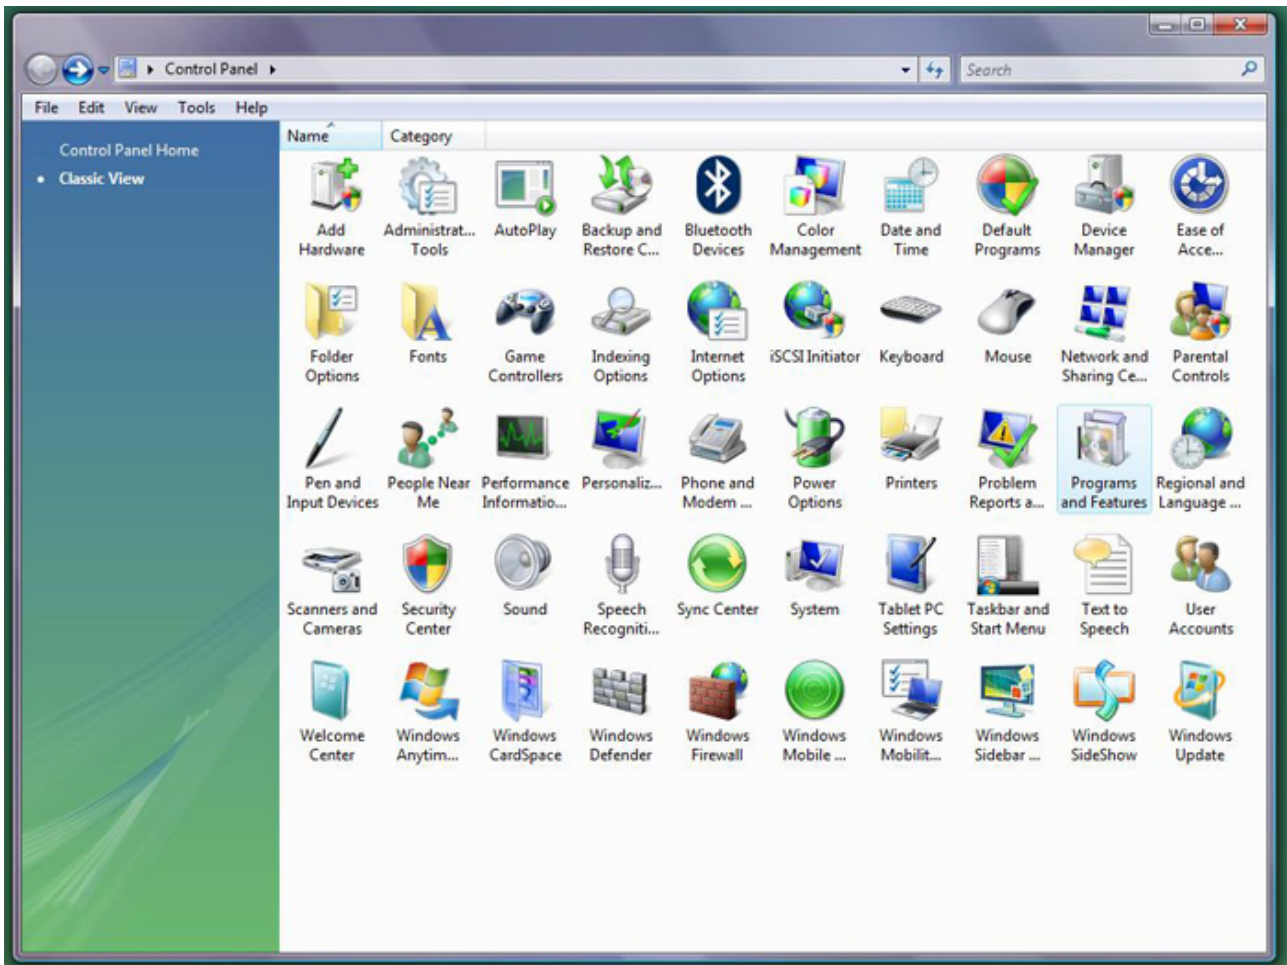

When attempting to open the software, the user gets an error message stating:

Executable 'C:\Program Files\eBahn\eBahn.exe' had the following unrecoverable error:  
unable to open:[]

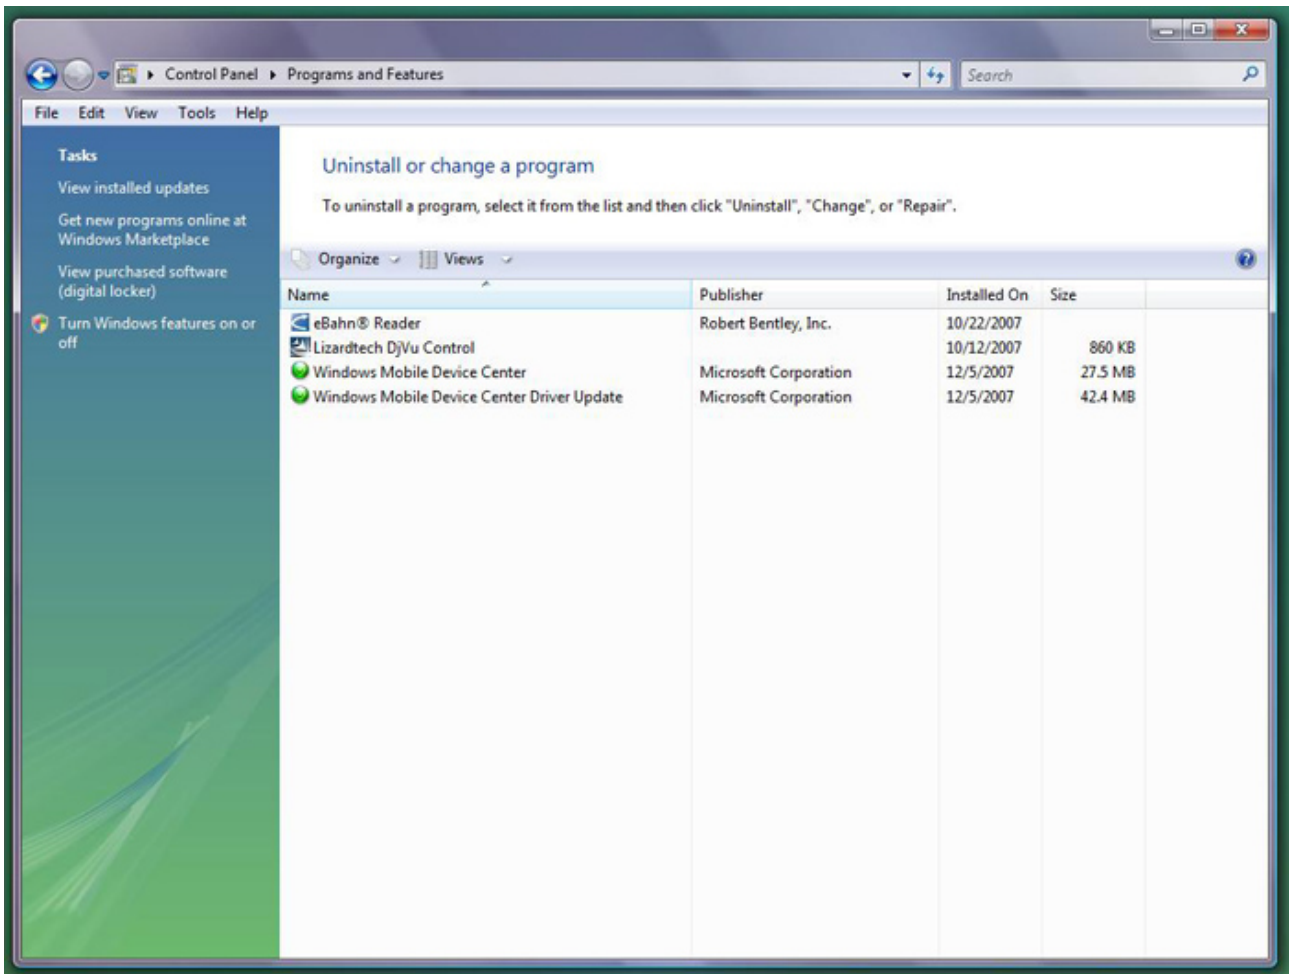

### Fixing Error

Click All Programs then click on **Control Panel**

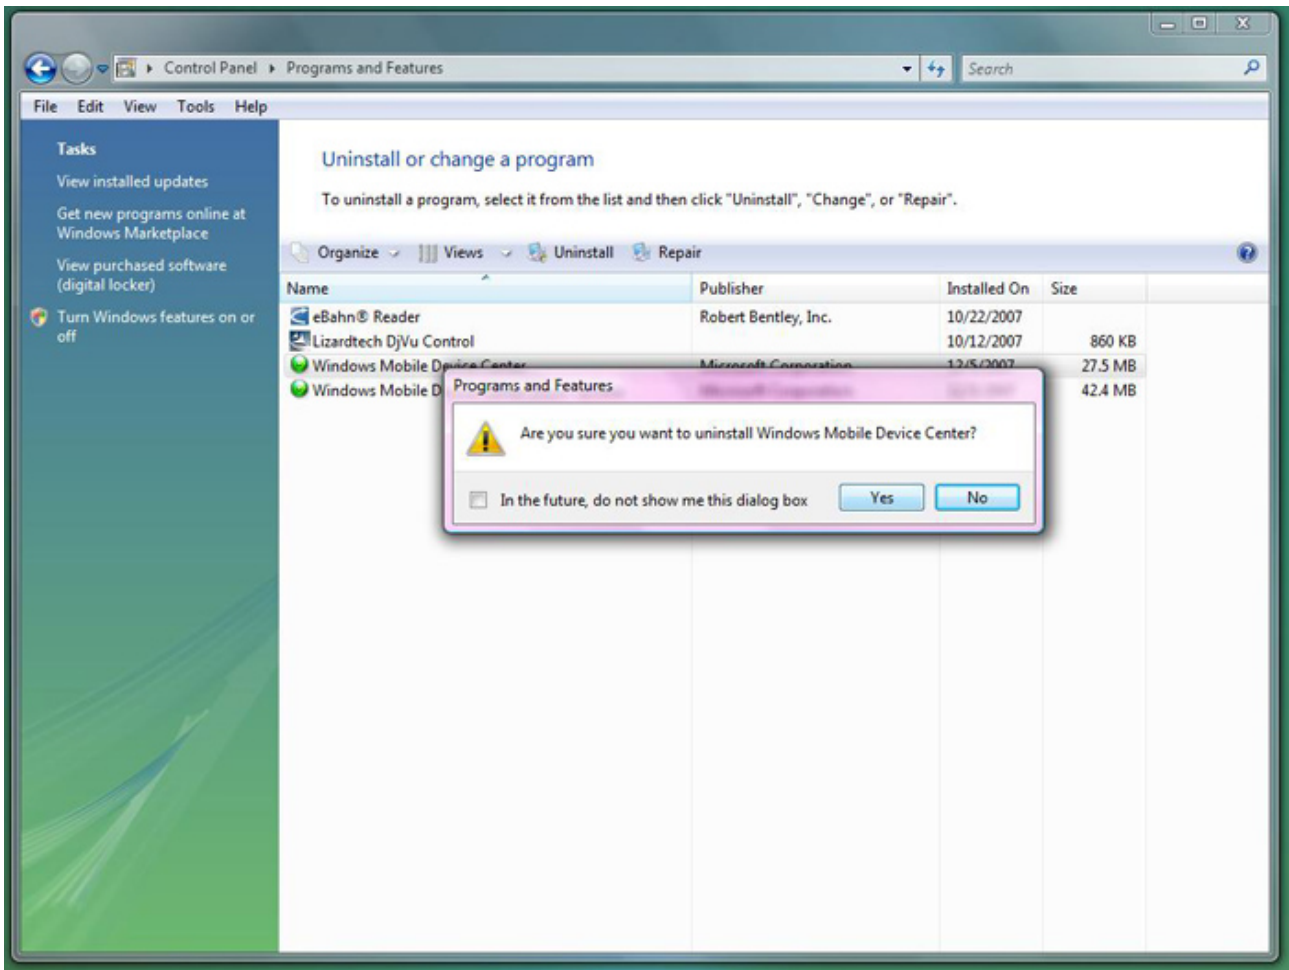

In the Control Panel window (below) click on the "**Programs and Features**" icon (highlighted in the image)

This is the **Program and Features** window that allows uninstalling and repairing programs in Vista.

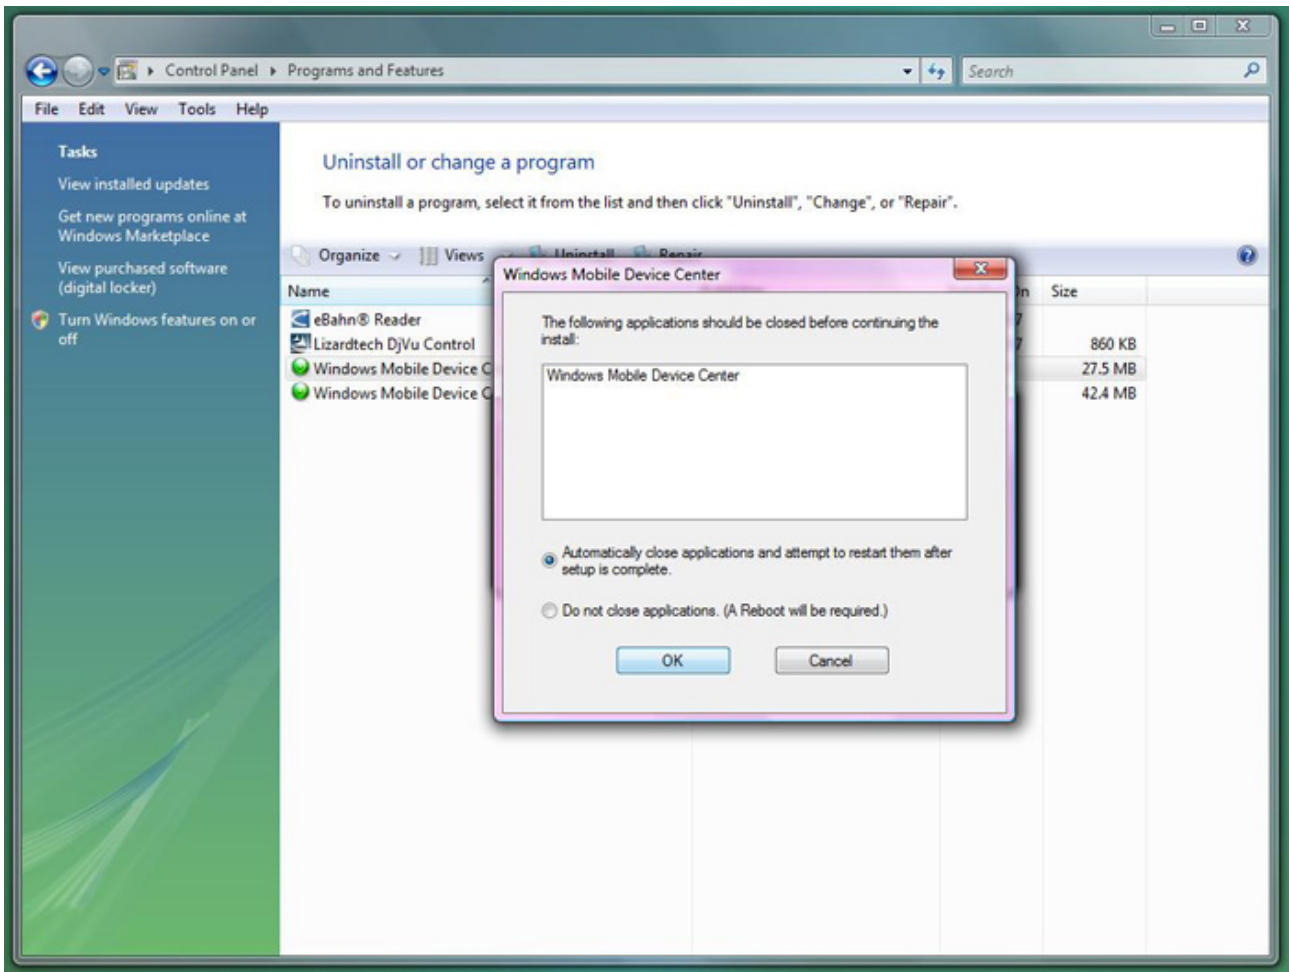

Click "**Windows Mobile Device Center**", then click the "**Uninstall**" that appears after clicking on the Program.

Click "**Allow**" on the dialog box asking to confirm removal of the program

Click "**Automatically Close**" on the next dialog box.(below)

This concludes the uninstall procedure of the WMDC
